UHY LLP provides accounting and business consulting advice that helps companies in the petroleum and convenience store industry increase profits and preserve equity. Having an experienced accounting and consulting firm who understands your industry and the competitive forces shaping it is critical to managing a successful business.

We offer a wealth of resources that help clients achieve their financial goals. From coordinating year-end tax planning strategies to managing the acquisition or sale of a company, we have developed a team of industry specialists who possess the knowledge and skill to provide services that are unmatched in the marketplace. We are currently working with over 50 petroleum marketers throughout the mid-west.

We provide a broad range of services for numerous sectors of the energy industry, including:

- Bio-diesel Production
- Convenience Stores
- Ethanol Production
- Exploration & Production
- Mining
- Oilfield Services
- Pipeline Operations
- Refineries
- Terminal Operations
- Transportation, Distribution & Marketing
 - Petroleum
 - Propane
 - Natural Gas
 - Lubricants
- Underground Storage Facilities
- Utilities
- Wind Energy
- Unattended Fueling Stations
